The screenshot displays the Pine View High School Library Media Center website. The header includes the library logo, the name "Pine View High School Library Media Center", and the user name "James Halpert" with options for "Log Out", "Help", and "Shop". A navigation menu contains "Home", "Dashboard", "Catalog", "Circulation", "Reports", "Back Office", and "My Info". A secondary menu below it includes "Library Search", "New Message(s)", and "Read".

The "Library Search" section is highlighted in green. On the left, a sidebar lists various search and management options: "Library Search", "Destiny Quest", "Destiny Discover", "WebPath Express", "Digital Resources", "Add Title", "Resource Lists", "Import Titles", "Export Titles", "Titlewave", "Update Titles", "Update Copies", "Search Setup", "Français", and "Español".

The main search area features a "Find" input field with a "Reset All" button. Below the input field are five search method buttons: "Keyword", "Title", "Author", "Subject", and "Series". The "Basic" search method is currently selected and highlighted in orange.

Below the search methods is a "Narrow your search to..." section with a "Show Less" link. This section contains several filters:

- Location:** Pine View High School Library Media Center
- Material Type:** Any Type
- Award Winner:** Unlimited
- Reading Level:** From [ ] to [ ]

# Finding Books: Destiny Quest

The screenshot shows the Destiny Quest library website. At the top, there is a navigation bar with links for Quest Home, MyQuest, My Info, Advanced Search, Visual Search, Follett Shelf, and Logout. A search bar is prominently displayed with a 'Find:' label and a 'Go!' button. The page is titled 'Pine View High School Library Media Center' and greets the 'Site Administrator'. The main content area is divided into three columns: 'THE TOP 10 BOOKS' featuring 'At first sight' by Nicholas Sparks, 'Resource Lists' with 'My Lists' and 'Public Lists' tabs, and 'New Arrivals!' listing books like 'Maybe this time', 'Dev1at3', 'The book of the moon', 'I love you so mochi', and 'Hope and other punchlines'. A sidebar on the right shows 'MyQuest Shelves' with categories like 'Have Read', 'Now Reading', and 'Want to Read', along with a 'My Personal List' section.

*All kinds of options are available from here: recommend books to friends, post book reviews, create personal reading lists, or connect with friends to share information!*

# Student Handbook is Online. You're responsible to know the information...

- **No food or drink** of any kind is allowed in the library Media Center, or computer labs.

**Project kits (pouches with scissors, markers, colored pencils, glue stick, etc.) may be checked out for use in the library.**

School Network &  
Computer Labs

*are for educational  
purposes only*

Utah Education Network (UEN) owns all Internet services, and they decide what the network will be used for. Therefore, **games** (or sites that look like games) are **NOT ALLOWED**, neither are other activities not directly related to education.

*Even if you own the device and you are just using the wireless connection.*

General Reference

## Gale Virtual Reference Library

Gale Virtual Reference Library is a collection of encyclopedias and specialized reference sources. These reference materials once were accessible only in the library. Now you can access them online from the library or remotely 24/7. Because each database has its own eBook collection, the content you see may vary if you access the database from different libraries (your school, your public library, or your office).

## Viewpoints In Context

*Viewpoints In Context* is an engaging online experience for those seeking contextual information and opinions on hundreds of today's hottest social issues. Drawing on the acclaimed Greenhaven Press series, the solution features continuously updated viewpoints, topic overviews, full-text magazines, academic journals, news articles, primary source documents, statistics, images, videos, audio files and links to vetted websites organized into a user-friendly portal experience.

## Student Resources In Context

*Student Resources In Context* is an engaging online experience for those seeking contextual information on a wide array of subjects. The solution merges Gale's authoritative and continuously updated reference content with full-text magazines, academic journals, news articles, primary source documents, images, videos, audio files and links to vetted websites organized into a user-friendly portal experience.
