- Staffing/Teacher update
- Construction Update
- Mrs. PVHS update
- School Values

3. Other items as requested -

4. Next Meeting Date:

Scheduled for March 18th

Meeting Minutes - Summary/Notes

Notes/Information:

PVHS purchased 260 chromebooks, 3 new carts, and 20 new projectors to upgrade our classrooms with technology. Chromebooks are being circulated out. Some chromebooks will now have an extra cart available for staff checkout. There will also be opportunities for students to check out a chromebook (if needed) for home use with our older chromebooks.

PVHS hired an amazing teacher to replace our ESL teacher who is moving back to her home area in Nebraska this winter break. His name is Steven Ord and he has been a former assistant principal and teacher. He will be starting in January and we are very excited to have him help our Panther Family.

9th Grade students are going to be completing their registration forms the first week back in January. We will then have a good idea of course offerings for upcoming staffing.

Mr./Ms. PVHS will be kicking off in January. We are excited to continue with this tradition and help a family in need in our community.

Our Values of resilience, relationships, respect, and responsibility. We have been recognizing students for these values on a monthly basis and are going to continue with this recognition.

We are recognizing students with high attendance and honor roll for this second quarter and will be giving out certificates in January.
